What is Kintsugi Village?

Kintsugi Village is a joyful gathering place in the heart of Corktown where children, families, artists and neighbors come together to learn, create and grow.

We're a school, a teaching kitchen, a retreat space, a gallery and a maker's studio — all under one roof. Inspired by the Japanese art of kintsugi — which finds beauty in imperfection — we believe in embracing the cracks, honoring the process and building something stronger together.

Whether you're a curious toddler, a visiting chef or a first-time visitor who just wandered in for tea, there's a place for you here. The Village is designed to feel like home — full of wonder, warmth and wide-open possibility.

Why Sponsor the Grand Opening?

Your sponsorship brings Kintsugi Village to life — not just as a campus, but as a shared experience of learning, creativity and connection.

By supporting our grand opening, you're investing in:

Welcoming all — making this celebration accessible and joyful for families, friends and artists from across Detroit

Highlighting the beauty of our city — through food, art and storytelling that reflect the spirit of Old St. Vincent Middle School (Kintsugi's home), Corktown and beyond

Laying the foundation for a space that will nurture children, artists, educators and community members for years to come

In return, your organization will be recognized as a founding partner of this vibrant new village — and celebrated alongside us as we mark this milestone moment.
